**Part III DETAILED ACTION**

1. This Office action is in response to the amendment filed on 7/8/07. Claims 21-32 are being allowed over the prior art of record. Prosecution on the merits is closed in this application.

2. The following is an examiner's statement of reasons for allowance:

The prior art of record teaches different ways of calibrating a printer, but the prior art of record does not disclose, teach, or suggest the claimed limitations of (in combination with all other features in the claims), a method for calibrating a virtual printer comprising a plurality of color engines, each color marking adapted to print multiple colorants, by printing a test pattern having plurality of test patches, reading the test pattern with a colorimeter to determine measured colorimetric values associated with each of the test patches; and creating a lookup table that maps the measured colorimetric values to the expected colorimetric values, as amended in the independent claims.
